From the Supdt., Revenue Survey
Letter No. 226 dated 1-3-1927

Recommends that under the circumstances explained, the Survey Officers of the four District Circles may be granted advances free of interest for the purchase of motor cycles

Assistant Secy's. remarks on Pl. D.

"We may perhaps grant interest bearing advances to all Officers. The present restriction to two advances may also cease"

2. under the existing rules motor car & motor cycle advances are restricted to strictly touring Officers drawing a salary of not less than Rs. 500/Pm. The four Asstt. Supdts. in charge of these Circles are getting Salaries as noted in the margin.

3. The circumstances which led to the Go. of the 31st July 1926 are explained in the note in the file put up. (G.F. 2-26-16). It has been held that even a D.S.P or a Rev Sub-Dn Officer should find a motor car unnecessary & rather expensive.

4. If the restriction is removed in the case of the Rev. Survey Dept, Officers in the other Depts. may Similarly Situated urge for similar treatment and the question of amending the rules may then have to be considered. Subject for orders, under the rules applications should be made in the prescribed form.

7 After all a Govt. officer buys a Petrol conveyance will benefit Govt most ~~and~~ any this will lead to expeditious despatch of business -

8 The existing control over T.A. which is limited to Budget grant will ensure against abuses in the shape of excessive TA.

9 The Govt of India do not have any restrictions now on the number of advances given and they have no interest free advances at all.

10 We may well adopt this procedure.

11 As the rules stand at present The proposal of the Govt of Rep survey is inadmissible

13 As the Government of India have now reduced the import duty on cars from 30 to 20 per cent and on tyres to 15 percent, motor vehicles will fall in prices. The possession of such modes of conveyance cannot now be considered a matter of luxury.

14 Horse conveyance is practically going out of fashion. Its maintenance now-a-days is by no means cheap.

15 In view of these considerations, I am inclined to think that the Government Order of 31st July 1926, may be modified so as to permit the grant of advances to touring officers on salary less than Rs 500/- also. The limit of advance in their case may be limited to ~~two~~ three months' salary to enable them to purchase motor cycles. In other respects the car advance rules will apply. The first advance may be interest free.

Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

SIR,

With reference to G.O.No.Fl.667-726/G.F.2-26-16 dated 31st July 1926 directing that the grant of advances for the purchase of motor cars and motor cycles be limited in future to touring officers drawing a salary of not less than Rs.500, I have the honour to state that the Assistant Superintendents in charge of District Circles whose salary is less than Rs.500 are urging for grant of advances free of interest under Article 162 of the new Mysore Civil Account Code, Vol.I for purchasing motor cycles which are necessary for purposes of their tours. These field officers are in charge of two Districts each, and are in receipt of monthly fixed travelling allowance. They have to tour in all the taluks of the two districts in their charge, for inspection, etc. of the work that is being done by the field men under the new scheme sanctioned by Government. As their jurisdiction is too large for efficient inspection and touring being done by means of ordinary conveyances, I beg to recommend, under the circumstances, that Government may be pleased to permit the survey officers of the 4 Circles to draw advances free of interest for purchase of motor cycles.

I have the honour to be,
Sir,
Your most obedient servant,
